PART B - DIGITAL CHANNELS

1. General

This Part sets out the terms which would apply if we provide you with any Digital Channels and/or Services set out in this Part B.

2. Set up and use of Digital Channels

2.1. Access.

- (a) For some Digital Channels, we will activate access for you and your Authorised Persons to the Digital Channels only once your/their application is successfully processed. We may also, in certain cases, allow limited access to certain Digital Channels for you to give certain instructions (such as applying for new Accounts or Services). We will deactivate your access to the Digital Channels when our relationship ends, including if your Accounts are closed.
- (b) Customer Self Administrators and other types of Authorised Persons have different types of access levels as determined by us with respect to your use of our Services. You may set additional access restrictions for your Customer Self Administrators, as well as for your other Authorised Persons at a User ID level through your nominated Customer Self Administrator(s). If you opt for single control so that only one person is needed to authorise a transaction, this will increase your risk. You must take steps to ensure your Authorised Persons only make and authorise instructions within their respective limits.
- (c) We do not warrant that access to the Digital Channels will be available at all times. This could be due to system maintenance, the breakdown/non-availability/corruption of any network or other reasons. The Digital Channels and Software are provided without any warranties or conditions on an "as-is" and "as-available" basis and you assume the risks of using the Digital Channels and Software.
- (d) We may revoke or suspend your access to the Digital Channels, or modify the access levels granted to your Authorised Persons at any time without providing notice to you.

2.2. Authentication.

- (a) We may require you to use Digital Tokens or other security mechanisms (including the use of Digital Certificates, one-time PINs, security codes or Third Party Security Mechanisms) for authentication of your Authorised Persons and/or systems.
- (b) If you consent to the use of biometric credentials (whether generated by us or a third party), you accept the risk that unauthorised third parties may be able to gain access to any device or application secured using your biometric credentials and transmit to us instructions without your knowledge or approval.
- (c) You may instruct us to make your credentials and profile information available to Third Party Banks or Third Party Service Providers which we support for the purposes of authentication, authorisation and on-the-spot registration on their platforms, where we are allowed under relevant Laws. This may include the provision of information on the roles and entitlements of your Authorised Persons for identity management purposes.

2.3. Authorisation for Your Digital Tokens or security mechanisms. You must control the use of your Digital Tokens, and security mechanisms to prevent unauthorised use or sharing. Where your Digital Tokens or security mechanisms are used to authorise any instruction, we will regard such instructions as being fully authorised by you, even if they were not given by an Authorised Person.

2.4. Non-Repudiation. We may additionally require you to use secure electronic signatures supported by Digital Certificates or other commercially reasonable and trustworthy security procedures to sign certain digital transactions. When you do so, we consent to such use and will treat you as having approved the digital transaction and the secure electronic record you signed as authentic and not having been altered.

2.5. System, hardware and software and security requirements.

- (a) You are responsible, at your own cost, for the systems, software and devices that you use to access our Services and Digital Channels (including any operated by your service providers which connect to our Digital Channels and obtaining any permissions and licences from them to do so) and keeping them secure and free from viruses or malware. You are also required to promptly meet any hardware or software requirements (including implementing any upgrades, updates to or new versions of the Digital Channels and the systems, software and devices used to access our Services and Digital Channels within the specified period) we inform you of from time to time. You may not be able to access our Services and Digital Channels and we will not be liable for any loss you incur if you do not meet these requirements.
- (b) You are responsible for keeping confidential and safe your Digital Tokens and any other security mechanisms or codes (including PINs) issued to you. We will use reliable means (as determined by us) to send these to you, such as to your registered address or device. You must update your particulars to ensure we send them correctly. You must control the use of your Digital Tokens, security mechanisms and codes to prevent unauthorised use or sharing. You must have adequate internal control procedures and security measures (such as destroying the notice with your security codes, disguising the security code if you record it, and changing the security codes regularly) to prevent any fraud, abuse or unauthorised use of our Services and Digital Channels, including the use of your systems or devices to carry out hacking or denial of service attacks, or to introduce any destructive element or malware (including any virus, worm or Trojan horse) into our systems. We will not be liable to you or to any other third party for making available, dispatching or delivering Digital Tokens, security mechanisms and codes to you, and for any loss or unauthorised use of these Digital Tokens, security mechanisms and codes.
- (c) We may accept the use of a Third Party Security Mechanism (including biometric based security mechanisms) to access our Digital Channels and Services subject to any additional requirements we may notify you of from time to time. We are not responsible for any issues relating to the use of such Third Party Security Mechanisms, including their issuance, availability, accuracy or reliability. You are solely responsible for complying with their terms of use.

2.6. Provision of Software, APIs, market data and other content.

- (a) We may provide you with Software required for your use of our Services and Digital Channels. You must have the necessary consents to install, configure and integrate the Software with your systems. You must comply with any additional terms that apply to the Software.
- (b) The intellectual property in the Digital Channels and Software, including our APIs, belongs to us and/or our vendors. You are granted a limited licence to use such intellectual property only in connection with your continued use of the Digital Channels. You may not copy, distribute, modify or reverse engineer the Software.
- (c) The provision of any link to a third party application, platform or website or inclusion of any content (including market data) provided by a Third Party Service Provider in our Services does not constitute our endorsement or verification of such third party service or content, and any use of or reliance on such third party service or content is entirely at your own risk.
- (d) You must keep, and must procure that any person given access keeps confidential all information about the Services and Software, the security mechanisms and codes, any content from our Services and the user instructions. You may retain such confidential information only as long as required by law or to comply with a bona fide data retention policy.

2.7. Installation and support.

- (a) If you use our mobile apps, you must download the mobile app and any updates from the relevant authorised app store. We will not separately send you updates.

(b) If you request us to install the Software on your systems you must provide us with reasonable access. We may test such Software to verify interoperability and security. You are responsible for ensuring that your systems meet the preferred hardware, software and information security requirements (including updates and/or patches that need to be installed) for accessing and using the Services and Digital Channels that we may notify you of from time to time. We may not provide updates for the Software.

2.8. User instructions. You must comply with the instructions set out in the relevant Service documentation, including any FAQs, manuals, and user guides, at all times. You may not copy any such material unless required to use our Services and only allow them to be used by your Authorised Persons or employees.

2.9. Termination. On termination, you must stop using and return your Digital Tokens and any other security mechanisms or codes or materials (including user instructions) issued to you. You must follow our instructions on the preservation or deletion of any data relating to the Services.

3. **Customer Self Administration Service**

3.1. Customer Self Administrators. Customer Self Administrators have full control over who accesses the Services and who can make and authorise transactions on your behalf, as well as sign up for new Services. Customer Self Administrators also manage your security and accordingly you must appoint at least 2 responsible persons with sufficient executive power and authority in your organisation as Customer Self Administrators to provide checks and balances. Unless we agree otherwise, 2 Customer Self Administrators will always be required for Dual Control to perform administrator level tasks.

3.2. Dual Control. Dual Control is always required for any action performed by Customer Self Administrators appointed to use the Customer Self Administration Service. All instructions and requests received from Customer Self Administrators are deemed to be duly authorised by you. We may act on all instructions and requests received via the Customer Self Administration Service without further checks even if they conflict with any other instruction or mandate you have given us.

3.3. Customer's responsibility for internal controls. Given the wide powers conferred via the Customer Self Administration Service, you must ensure that you have appropriate and adequate internal controls in place to authorise appropriate persons to use the Customer Self Administration Service, and to prevent any fraud, abuse or unauthorised acts/omissions by persons using the Customer Self Administration Service.

3.4. Cessation. If a person ceases to be an Authorised Person in respect of the Customer Self Administration Service and we were not informed of such cessation as soon as practicable from such cessation, you agree that we shall not be held liable for any act or omission by such persons.

4. **Interpretation and Definitions**

4.1. Capitalised terms used in this Part B have the meanings given to them in Part E. The definitions below also apply to this Part B:

Customer Self Administrator means a type of Authorised Person and refers to the people you have informed us as being responsible for taking on the role of a customer self-administrator for Digital Channels.

Customer Self Administration Service means the Service which we make available to you in connection with you signing up for a new Service and the on-going administration, operation and maintenance of your use and access of the Digital Channels.

Dual Control means a procedure that involves two or more people to complete a transaction. One person creates a transaction and another person of higher authority approves it in the system.

PART C - ACCOUNTS AND RELATED SERVICES

1. General

This Part sets out the terms and conditions which would apply if we provide you with any Account, Services related to Accounts or other Services set out in this Part C.

2. General Account Terms

2.1. Requirements. For any Account you open with us, we may set:

- (a) limits on how much you need to have in your Account when it is opened;
- (b) limits on credit balances on which we will pay interest;
- (c) types of currencies that we may accept;
- (d) our fees, charges, commissions and interest rates; and
- (e) any other requirement we may tell you about.

2.2. Changes to your Account.

- (a) We may with prior notice, change your Account number for any reason.
- (b) We may convert your Account into another type of Account. We will consult with you before we do this.

2.3. Dormant Accounts. If there has been no transaction or activity on an Account for such period of time as we determine, we may treat such Account as a dormant Account. We may close or impose fees or conditions on dormant Accounts. We will notify you of the closure of, or any fees or conditions we impose on, a dormant Account.

2.4. Payments into your Account.

- (a) Money may be paid into your Account in currencies which we accept and in any way we accept or agree to. We may charge you for certain methods of paying in money at rates we will tell you about. We will decide the date on which such payments are credited into your Account in accordance with our normal banking practice.
- (b) We do not have to credit your Account before we actually receive the funds if payment into your Account is made by:
 - (i) any method requiring clearing and settlement; or
 - (ii) through domestic or international transfer of funds.
- (c) If we credit your Account before receiving the funds, this is on the condition that we receive the funds. We will deduct the money from your Account if such funds are not received.

2.5. Withdrawals and payments from your Account.

- (a) You can withdraw money or make payments from your Account in any way which we accept or agree to. In some cases, we may need or permit you to withdraw funds or make payments in a different currency from the currency in which your Account is held. If we do this, our prevailing rate of exchange at the time of withdrawal will apply.
- (b) You must keep enough readily available funds in your Account to cover all payments and withdrawals. If withdrawals or payments cannot be made from your Account because of insufficient readily available funds in the Account, we may charge you a fee for the unsuccessful withdrawals or payment. If your Account does not have enough funds and we decide to allow a payment or withdrawal from your Account, your Account will be overdrawn.

- (c) We may set requirements for withdrawals and payments from your Account, including setting limits or requiring you to notify us for withdrawals and payments of large amounts (as determined by us).
- 2.6. Overdrawn Accounts. If your Account is overdrawn, you must pay all overdrawn amounts immediately upon demand, together with any interest and any other charges at our current rates. Interest and other charges will apply if the amount overdrawn is not paid back into the Account on the same Business Day.
- 2.7. Funds added by mistake. If funds are credited to your Account by mistake, we may immediately deduct such funds from your Account without notice to you. We will tell you about the mistake and the amount we have deducted. If you have used or withdrawn the funds, you must return the funds to us as soon as we inform you of the mistake.
- 2.8. Interest payments.
- (a) We will determine and pay interest on your interest earning Accounts in accordance with our procedures and policies. If the interest rate is negative, interest charges on your Accounts (including suspended or dormant Accounts) will be determined and will be payable in accordance with our procedures and policies.
- (b) Unless we say otherwise, current Accounts, closed or suspended Accounts and dormant Accounts are not interest earning Accounts. If you close an Account that we have agreed to pay interest on or where you have to pay us interest charges on, interest / interest charges up to (but not including) the date you closed the Account will have to be paid.
- (c) Interest/interest charges we pay or charge will be at our prevailing rate that applies to the Account or at such other rate that we may notify to you from time to time.
- 2.9. Closing of Accounts. We may need you to withdraw all your monies in your Account before closing it. If your Account is still in credit when we close it, we will pay you the balance (after deducting any amount you owe us) by sending you a cashier's order or a banker's draft by post. When your Account is closed, you must pay us promptly all amounts you owe us. When your Account is closed or suspended, we may terminate or suspend all Services in connection with the Account.
- 2.10. Deductions and combination of Accounts. In addition to a banker's lien, we have the right to debit from your Account any amount you or your Affiliate owes us or any DBS Group Member (whether due immediately or later). We may exercise this right at any time and without the need to give you prior notice, and even if this would make your Account overdrawn. We will contact you as soon as we reasonably can after we exercise such right. We may also combine or consolidate all or any of your Accounts with us. If we need to convert the currency of the amounts in your Account, we will do so using our prevailing exchange rate at the time. If you request us to debit a specific Account, you acknowledge that any acceptance by us of your request is without prejudice to our rights under this Clause.
- 2.11. Cumulative rights. Our rights under Clause 2.10 are in addition to any Security, rights of set-off or other rights we may have.
- 2.12. Fixed or time deposits.
- (a) We will only accept funds in your Account to be placed on 'fixed' or 'time' deposit for currencies that we specify.
- (b) If you have elected for the fixed or time deposit to renew automatically, we will automatically redeposit the amount and any interest it has earned on the maturity date. Unless you tell us otherwise before the maturity date, this amount will be redeposited for the same term.
- (c) If you have not made such an election, you need to tell us what to do with the money before the maturity date of such deposit. If you do not do so, we may:
- (i) put your money, and any interest it has earned, back on deposit (redeposit it) for the same term as the original fixed or time deposit or such other term as we may determine; or

- (ii) stop putting your money, and any interest it has earned, on 'fixed' or 'time' deposit and we may transfer such funds into another Account. This may result in no interest being paid.
 - (d) Unless you and we agree, the interest rate throughout a term of a fixed or time deposit (including any redeposited fixed or time deposit) will be simple interest at the rate we set on the first day of the current term.
 - (e) We may choose to terminate a fixed or time deposit if the interest rate on such deposits is negative. We will notify you if we do so.
 - (f) You will need our consent to end or withdraw a fixed or time deposit early, unless you have a right to do so under any relevant Laws. If we allow you to end or withdraw a fixed or time deposit early, we may pay you less or no interest (unless otherwise provided under any relevant Laws) and/or impose any terms and conditions (including early withdrawal charges).
 - (g) If the maturity date for a fixed or time deposit falls on a day other than a Business Day, it will automatically be postponed to the next Business Day. We may also extend the maturity date in accordance with our normal banking practice.
 - (h) We may give you a receipt, advice or statement for all fixed and time deposits. Such advice or statement is only evidence of the deposit and not a document of title and must not be pledged as Security.
- 2.13. Account 'in trust'. Other than you as the account holder, we do not need to deal with any person who may have any interest in your Account. This will be so even if you open an Account:
- (a) in your name 'in trust' or 'as nominee' or in some other similar role; or
 - (b) as a capital markets services licence holder (or other similar role or capacity) holding segregated clients' accounts or assets.
- 2.14. No Security. You must not create any Security, or grant any rights over the credit balances and your rights under the Agreement and in any Account to any person unless we allow you to. If we allow you to do so, we have the right to impose additional terms and conditions on your Account.
- 2.15. Risks of foreign exchange. You accept any loss in value of your funds resulting from changes to the foreign exchange rate if:
- (a) you make deposits, withdrawals or transfers in a currency which is different from the currency of your Account;
 - (b) refunds into your Account for unsuccessful transfers or payments are in a currency different from the currency of your Account; or
 - (c) we need to convert currency in connection with fees, charges, cheques or any transactions in relation to your Account or any Service you use.

You agree that we can convert funds, at our prevailing rate of exchange which applies at the time, to the currency of your Account.

- 2.16. Currencies subject to exchange controls.
- (a) Certain currencies may be subject to exchange controls or other restrictions under Law ("**Restricted Currencies**").
 - (b) Restricted Currencies are subject to risks on convertibility and transferability and foreign exchange rate risks. We have the right to determine what we consider to be a Restricted Currency.
 - (c) Where a Service involves a Restricted Currency, such risks and restrictions or any other Law affecting a Restricted Currency may affect our ability to provide or to continue providing you with that Service.

- (d) We may:
 - (i) suspend, terminate or refuse to carry out any instruction or transaction involving a Restricted Currency;
 - (ii) immediately change the terms relating to a Restricted Currency to be in line with any changes to any applicable Laws or any arrangements relating to a Restricted Currency that we or any DBS Group Member enters into with any clearing bank, domestic agent bank or other banking, clearing or settlement institutions, organisations or systems;
 - (iii) report any transactions and information relating to you or any Service relating to a Restricted Currency to any relevant authority, clearing bank, domestic agent bank or other banking, clearing or settlement institution, organisation, system or third party agent; and
 - (iv) set conditions on the use of a Service involving a Restricted Currency, including how you can deposit or withdraw from an Account denominated in a Restricted Currency; and how you can make any transfers involving a Restricted Currency.
- (e) If we do not have sufficient amounts of a Restricted Currency or a transfer or conversion of a Restricted Currency are suspended, prohibited or restricted under Law or by any judicial, governmental or regulatory authority, agency or body, we do not have to:
 - (i) (for an inward remittance for you) pay the Restricted Currency or any other currency in lieu to you; and
 - (ii) (for an outward remittance to a payee) pay the Restricted Currency or any other currency in lieu to the payee or return the Restricted Currency or any other currency in lieu to your Account.
- (f) We may make such payment or return the Restricted Currency, as applicable, once we consider that such circumstances no longer apply and:
 - (i) (for an inward remittance for you) the relevant Restricted Currency has been received by us; or
 - (ii) (for an outward remittance to a payee) the relevant Restricted Currency has been refunded to us or are payable to the payee.

3. Foreign currency and multi-currency accounts.

3.1. Foreign currency transactions.

For foreign currency and multi-currency Accounts:

- (a) We have the right to decide whether any cash deposit, remittance or withdrawal can be made in a foreign currency. This Service may not be available in all currencies.
- (b) We may make payments in full or in part in the Local Currency equivalent for any foreign currency transaction. We may ask you to give us prior notice (for a period as we may determine) before you can make a withdrawal.
- (c) We will use our prevailing rate of exchange for any currency conversion that we make in connection with a foreign currency or multi-currency Account.

3.2. Tax, currency and other risks.

For foreign currency and multi-currency Accounts:

- (a) You will be responsible for any Taxes and you accept the risk of loss in value of currency.

- (b) You accept that funds may not be available for withdrawal at any time due to the availability of funds in that currency, restrictions on transfer of or conversion of that currency or exchange control Laws.
- (c) If anything happens which restricts availability, conversion, credit or transfers of any foreign currency or makes it impossible or impractical for us to carry out our obligations to you concerning that foreign currency Account or multi-currency Account, we do not have to pay you the funds in your Account in that foreign currency. We may pay such funds in another currency.
- (d) In addition, if we reasonably decide that we cannot effectively use the foreign currency funds deposited with us, we may:
 - (i) suspend, stop or reduce our interest payments on the funds for a period we may reasonably decide;
 - (ii) charge you interest or other charges on the deposit at our rates which apply at that time; and
 - (iii) convert the foreign currency deposit into another freely transferrable currency specified by us in our sole discretion.

3.3. Operation of a multi-currency account.

- (a) When you open a multi-currency Account, a wallet in the Local Currency may be automatically added under that multi-currency Account.
- (b) Unless you tell us otherwise, we may add a new foreign currency wallet under the Account when:
 - (i) you receive funds in that foreign currency;
 - (ii) you apply for and we grant you an overdraft limit in that foreign currency;
 - (iii) your choice of currency for payment of charges and fees is in a currency other than the Local Currency; or
 - (iv) we consider it necessary or desirable for that foreign currency wallet to be added.
- (c) We may not allow a wallet added to a multi-currency Account to be closed unless the entire multi-currency Account is closed.
- (d) We may need you to specify the currency which sets the authorisation limit and the authorisation limit. If you have not done so, we may choose the authorisation limit currency and the authorisation limit. The authorisation limit will apply to each currency in the multi-currency Account.
- (e) Interest payments and charges will be independently calculated for each currency wallet under a multi-currency Account based on our prevailing interest rates applicable to each relevant currency.
- (f) We may impose conditions for cheques drawn on or credited into a multi-currency account where currency conversion is required in order to debit or credit the proceeds of the cheque in your multi-currency Account.

4. **Joint Accounts**

4.1. Joint and several liability. All Joint Holders are jointly and severally liable to us for all liabilities and obligations incurred on the Joint Account.

4.2. Correspondence and instructions.

- (a) Any Correspondence sent to a Joint Holder will be deemed to have been sent to all Joint Holders.
- (b) Unless you and us agree otherwise, each Joint Holder:
 - (i) may manage the Joint Account independently of the other Joint Holders; and

- (ii) is separately and independently entitled to exercise all rights of the Joint Holders over the Joint Account.
 - (c) We can deal separately with any Joint Holder and rely and act on the instructions of any Joint Holder on any matter relating to the Joint Account without any need to enquire further. Such dealings and instructions will bind all the Joint Holders. This includes debiting the Joint Account on the instructions of any one Joint Holder, even if this may result in the Joint Account being overdrawn.
 - (d) Without affecting the above or the Account mandate, we may require joint instructions from some or all of the Joint Holders before taking any action under the Agreement.
- 4.3. Closing of Joint Accounts. When a Joint Account is to be closed, we can apply amounts in the Joint Account to discharge amounts incurred on the Joint Account, whether or not they are due. After doing so, we may refund any remaining balance to any Joint Holder as we may determine. This will be so regardless of the person(s) who are entitled to the funds.
- 4.4. Right to freeze/suspend upon death, liquidation, dissolution and others.
- (a) Upon us becoming aware of any dispute between any Joint Holder(s) in relation to the Joint Account, the death, liquidation, judicial management, provisional supervision, reorganisation (by way of voluntary arrangement, scheme of arrangement or otherwise), dissolution or bankruptcy of any Joint Holder (or anything similar), or upon the mental incapacity of any Joint Holder as determined by us:
 - (i) we may terminate all automatic instructions or standing instructions for the Joint Accounts;
 - (ii) we may freeze or suspend operation of the Joint Accounts; and
 - (iii) we may block any debiting of the Joint Account; and
 - (iv) we may continue to accept deposits into the Joint Account.
 - (b) Further, upon the mental incapacity of any Joint Holder as determined by us, the authority of any authorised person of that Joint Holder will be revoked automatically without any prior notice to any Joint Holder. This will apply until we are able to conclude who has the legal authority to operate the Joint Account and (if required by us) until we receive a fresh mandate for the Joint Account which is acceptable to us.
- 4.5. Right of survivorship.
- (a) Upon the death, bankruptcy, liquidation or dissolution of any Joint Holder, we will only be required to pay the amounts in the Joint Account to the order of any remaining Joint Holder. This applies despite any other arrangement between the Joint Holders or the Account mandate. This Clause is subject to:
 - (i) our rights in respect of such amounts arising out of any Security, any claim, any counterclaim or any other right whatsoever that we may have; and
 - (ii) any steps we consider desirable to take in relation to such amounts. This includes making payment(s) into a court of competent jurisdiction.
 - (b) Any payment by us to any survivor or to the order of any survivor or to a court of competent jurisdiction will fully discharge our obligations and bind all the Joint Holders, their personal representatives (if any) and their successors.

5. General Payments and Receivables Services

- 5.1. Acceptable forms of payments. Subject to our discretion and any requirements we may set, the following are acceptable forms of payments to or from your Account:
- (a) cheques, drafts and pay orders;

- (b) telegraphic transfers;
- (c) domestic transfers;
- (d) direct debit payments; and
- (e) such other methods approved by us.

5.2. Payment instructions.

- (a) For any transfer of funds from your Account, you are responsible for making sure you give us correct and complete information (including details of the person you want to transfer the funds to) to effect a transfer. We do not have to check any information you give us in your instruction.
- (b) We will try to process your request to transfer funds as soon as we can after we receive your instruction and otherwise in accordance with our usual arrangements for processing instructions.
- (c) We cannot guarantee when a fund transfer or payment will be received by the payee or their bank in cleared funds, or when such funds will be credited to the payee's account.

5.3. Requirements and Limits. We may set requirements for the transfer of funds. This includes any limits on a daily basis or per transaction basis on the amounts to be transferred or a maximum limit of the number of transactions.

5.4. Place of payments. The money which you have in your Account will only be paid by the DBS Group Member where you hold your Account or from any of that DBS Group Member's branches in the same jurisdiction where you hold your Account.

5.5. Standing instructions.

- (a) Any standing instruction we accept will stay in place until we receive notice of your bankruptcy, winding-up or dissolution or notice from you to cancel the standing instruction or until we determine otherwise.
- (b) We may end any standing instruction arrangement at any time by telling you in writing. We may also do so without giving you notice if a payee tells us no further payment is needed.
- (c) We do not need to carry out any standing instruction if the payee does not accept payment in the way we require or if you do not have sufficient funds in your Account for such payment and any other amount you owe us.

5.6. Demand drafts and cashier's order. We may accept any request to cancel and refund a demand draft or cashier's order that we have issued. If we agree to do so, we may deduct our usual charges or any other charges that we tell you from the refund. You agree to promptly return the original demand draft or cashier's order for cancellation should it come into your possession.

5.7. Deposit of cheque or other Instrument.

If payment into your Account is to be made by cheque or other Instrument, we may:

- (a) refuse to accept the cheque or other Instrument; and/or
- (b) return any cheque or Instrument which we do not pay or which we cannot process to the postal address we have for you in our records at your own risk and expense.

5.8. Foreign currency cheques. We may accept foreign currency cheques for clearing in a way we decide. Where foreign currency cheques are received, we will credit your Account with the proceeds after making any adjustments for differences in exchange rates, bank commission, stamp duty and any other related charges in connection with clearing such cheques. You acknowledge the risks involved in accepting foreign currency cheques, including the risk arising from refund periods which apply under the Laws of some foreign jurisdictions. This may mean we have

to refund a cheque, in certain cases, even after it has cleared and the proceeds have been paid. You agree to repay us for any cheque we have to refund.

5.9. Cheque clearance. We will only clear cheques on a Business Day. We will only deposit the proceeds of cheques into your Account after it has been collected, verified by us and cleared.

5.10. International Payment.

- (a) International Payments are made under the rules and regulations of the relevant system for clearing, settlement or payment with which we and any intermediary or correspondent bank must comply with and are subject to the Laws of the jurisdiction where the payment is to be received and the Laws of the jurisdiction of the payment currency. We may be required to limit the amount of such International Payment. If you ask us to make an International Payment, we will generally not convert those funds into the currency of the receiving jurisdiction. This will be so unless you ask us to or we have to under such Laws.
- (b) If you give us instructions to make an International Payment, you authorise us to send instructions and other information to a Third Party Service Provider, or the beneficiary's bank for the purpose of such transaction. A Third Party Service Provider may charge commissions, fees or charges in making an International Payment which we do not have control over, and such fees shall be paid by you or the payee separately or deducted from the funds paid to the payee's account. A Third Party Service Provider may convert a payment to its own preferred currency before effecting the payment.
- (c) We do not need to make any refund if payment of the transfer has been successfully made by our foreign correspondent. We may agree to make a refund only if we have received a confirmation from our foreign correspondent that the transfer has been cancelled. The amount of the refund will be the actual amount refunded by our foreign correspondent and if applicable, calculated at our prevailing exchange rate at the time of the refund.

6. Cheques

6.1. General.

- (a) We may provide you with cheque books upon your request. If we agree to issue a cheque book to you, we may deliver it to the postal address we have for you in our records by post, courier or in any other way we think is appropriate.
- (b) The cheque book is delivered at your cost and risk and you are responsible even if someone else receives or uses them.

6.2. Your obligations.

- (a) You must take reasonable care to safe keep the cheque book and to prevent its unauthorised use. Cheque books are our property and you must return them immediately if we ask.
- (b) You must immediately return or destroy all unused cheques when your Account is closed.
- (c) You must immediately tell us in writing if you do not receive a chequebook within 14 Business Days of asking for it.
- (d) When you become aware that any cheque or cheque book has been lost, stolen, misplaced, forged or otherwise used or altered fraudulently, unlawfully or in any other unauthorised way, you must immediately report the circumstances to us. We are not responsible if we have paid any cheque before we receive, and have had reasonable chance to act on, your report.

6.3. Keeping and storing cheques. If we have paid out on any cheque or other Instrument issued by you or which appears to have been issued by you, we may:

(iv) post-dated or out of date;

(v) not in a language acceptable to us;

(vi) ambiguous; or

(vii) otherwise not in conformity with our requirements or the requirements of the relevant cheque clearing house.

(b) Despite the above, we may decide to cash, accept or pay any such cheque at your risk and without taking on or suffering any liability.

(c) We may charge a fee for any cheques which are presented to us and dishonoured.

6.6. Stopping payments.

(a) Any request you make to stop payment of a cheque must be made in writing to us giving the correct number and details of the relevant cheque.

(b) We will try to stop or cancel the cheque but will not be responsible if we are not able to do so. Our current charges will apply whether or not the stop payment is successful.

7. **Direct Debit Authorisation**

7.1. Direct Debit Authorisations. We may agree for you to send direct debit authorisations through our channels, including any Digital Channels, for us to arrange:

(a) to debit the account of the payer which is maintained with us or another bank;

(b) if such account is maintained with another bank, a funds transfer of the amount debited from such account to us on your behalf; and

(c) to credit your Account with such amount debited or received by us.

7.2. Mandate.

(a) We may require you to provide us with an authorisation mandate from each of the payers whose account is proposed to be debited. The authorisation mandate must be in a form acceptable to us and verified by us to our satisfaction.

(b) You must tell us immediately if any authorisation mandate from a payer has been revoked or changed or is no longer valid. You must immediately stop sending any direct debit authorisations for such payers.

7.3. Report. We will provide you with a report after the end of each Business Day with the details of the originating and receiving accounts and reference numbers for each such direct debit.

- 7.4. Your obligations. You agree to:
- (a) ensure that all details submitted by you for direct debit authorisations are given to you or accepted by the relevant payer who has authorised you to initiate the relevant direct debit; and
 - (b) check such details against the documents presented to you by the payer.

8. **Virtual accounts**

8.1. Virtual accounts. If you use this Service, we may provide you with one or more virtual accounts. Each virtual account would be linked to a Designated Account (and there may be one or more virtual accounts that are linked to the same Designated Account). Virtual accounts are not bank accounts and do not have its features or functions. Instead a virtual account is:

- (a) an administrative tool to track, identify and reconcile funds deposited into or paid out from your Designated Account;
- (b) linked to your Designated Account, but do not have the same account number or account name as your Designated Account; and
- (c) a unique customer reference number (also known as virtual account number) used to identify and differentiate funds made by different VA Payers to you and made by you to different VA Payees.

8.2. Virtual account payments. For any virtual account payments to be made:

- (a) the payment must be made in accordance with the naming convention for the payment instruction as agreed between you and us;
- (b) the payment must be in compliance with our payment messaging requirements and any applicable limitation or restriction we have notified you for the relevant virtual account; and
- (c) we must not receive any adverse result during any screening of such payments or during any verification checks that we conduct.

We reserve the right to reject any virtual account payments or any instruction for such payments if we cannot conduct any verifications we require or the results of such verifications are not to our satisfaction.

8.3. Your obligations. You are responsible for:

- (a) generating the virtual account numbers based on our prevailing requirements;
- (b) assigning and communicating the virtual accounts to the VA Payers, VA Payees and us;
- (c) communicating the proper use of the virtual accounts to the VA Payers and VA Payees;
- (d) ensuring that you have sufficient funds in the Designated Account to make the payments that you instruct us to make in favour of any VA Payee; and
- (e) ensuring the proper use, safe custody and security of the virtual accounts and virtual account reports.

8.4. Your own account. You confirm that, except where we have agreed otherwise:

- (a) payments by a VA Payer are payments made to you for your own account and you are not collecting or receiving that payment on behalf of another person; and
- (b) payments made to a VA Payee are payments made by you on your own account and are not payments that you are making on behalf of another person.

8.6. VA Payers and VA Payees.

- (a) You undertake to inform the VA Payers and VA Payees, in each case, in writing that:
 - (i) the virtual account is not a bank account and does not have any features or functions of a savings or current or multi-currency bank account;
 - (ii) payments made from or to the virtual accounts will be debited from or credited to your Designated Account. If payments are made between virtual accounts that are linked to the same Designated Account, there will be a debit or credit from the respective virtual accounts but this will not affect the balance in that Designated Account;
 - (iii) except to the extent as may be required under any applicable Law or we otherwise agree, we will not recognise the VA Payers or VA Payees or any other person (other than you as the account holder of the Designated Account) as having any interest in the Designated Account and the corresponding virtual accounts;
 - (iv) except to the extent prohibited under any applicable Law or we otherwise agree, we will treat you as the sole beneficial owner of the monies in the virtual account and/or Designated Account; and
 - (v) the VA Payers and VA Payees are not our customers for the purpose of the virtual account services and we neither have any contractual relationship nor owe any duty of care under any circumstances (including when you become insolvent) towards any VA Payer or VA Payee and no one other than you will have any right (or be able to make any claim) against us in respect of the virtual accounts and/or the Designated Account.
- (b) You undertake to accurately inform the VA Payers and VA Payees of the nature of a virtual account and this Service.
- (c) You shall ensure and procure that each VA Payer and VA Payee:
 - (i) does not hold us out in any manner as an agent for you;
 - (ii) will take all necessary action as we may require to ensure that we are not deemed to be your agent pursuant to applicable Laws; and
 - (iii) complies with our payment messaging requirements at all times.
- (d) You must promptly give us any document or information relating to the VA Payers and the VA Payees that we may require for this Service.
- (e) You are responsible for responding to any questions from or disputes with the VA Payers and VA Payees. If a VA Payer or VA Payee makes a claim or lodges a complaint against us, you must promptly provide us with any assistance that we request for.
- (f) You are responsible for all arrangements between you and the VA Payers and you and the VA Payees.

8.7. Rules and Guidelines. We may issue or notify you of our rules, guidelines, requirements or recommendations in relation to the generation, management and/or use of virtual accounts. You must follow them.

8.8. Dormant virtual accounts. If there has been no transaction or activity on a virtual account for such period of time as we determine, we may treat such virtual account as being dormant. We may close such dormant virtual accounts.

8.9. Reports and ledgers.

- (a) We may, upon your request, setup and maintain different ledgers to track, identify and reconcile virtual account payments:
 - (i) paid by VA Payers to different persons or different departments, teams or groups within your organisation or other persons designated by you and approved by us; and

- (ii) paid to VA Payees by different persons or different departments, teams or groups within your organisation or other persons designated by you and approved by us.
 - (b) We will provide you reports on your virtual accounts and such ledgers upon your request in accordance with our prevailing practice.
 - (c) We do not provide any representation, warranty or guarantee with respect to the timing for effecting any updates to such ledgers and reports. You acknowledge, understand and accept that balances, transactions and any other information set out in such ledgers and reports:
 - (i) may not be up to date on a real time basis; and
 - (ii) may not be up to date as at the date of the issuance of the ledgers and reports or the date of your access to the ledgers or reports.
- 8.10. Compliance with Laws. You agree not to cause us to breach any applicable Law in connection with any virtual account Service. You shall notify us in the event that you become aware of any breach of applicable Laws.

- (iii) your Designated Account is free from any Security, trust, or other encumbrance.

9.5. Indemnity. You agree to indemnify us against all losses which we may suffer or incur in connection with any Participant's failure to comply with any terms relating to the interest optimisation Service.

PART D - BASIC FINANCIAL MARKETS SERVICES

1. General

- 1.1. This Part sets out the specific terms and conditions which apply if we agree to enter into FX Transactions with you as set out in this Part D.
- 1.2. In this Part D, an "**FX Transaction**" is a foreign exchange transaction under which you agree to purchase an agreed amount in one currency from us in exchange for the sale by you to us of an agreed amount in another currency, with settlement of the exchange to occur on the same day or a specified date in the future.
- 1.3. FX Transactions in this Part D are limited to the following types:
 - (a) "**FX Forward Transaction**", where the Settlement Date is more than 2 Business Days after the Trade Date of the FX Transaction; and
 - (b) "**FX Spot Transaction**", where same day, next day, or spot settlement (where the Settlement Date is not more than 2 Business Days after the Trade Date of the FX Transaction) will apply.
- 1.4. Before making any decisions or giving us any instructions or orders relating to the Services under this Part D, you confirm that you have read and understood the terms of the risk disclosure statements set out in Clause 12 and/or in other Parts of the General Banking Terms and Conditions and applicable Jurisdiction Schedules and/or as separately provided by us to you at the time you apply or we accept your application to enter into FX Transactions with us.
- 1.5. You should seek professional advice before you enter into FX Transactions with us. You are expected to evaluate the appropriateness of any Service under this Part D based on your own assessment of the merits, and your own facts and circumstances.

2. How we will transact

- 2.1. We act on our own account.
 - (a) Unless otherwise agreed, we engage in FX Transactions as principal for our own benefit. We do not act as agent, fiduciary or financial advisor or in any similar capacity (unless we expressly agree otherwise in writing) on your behalf.
 - (b) Our sales and trading personnel do not act as brokers or agents to you, and any statements made or information provided to you regarding FX Transactions should not be taken as recommendations or advice.
- 2.2. Entering into FX Transactions.
 - (a) Any request, order or instruction from you to enter into an FX Transaction may be treated by us as an offer by you to enter into the FX Transaction, but you and we will be legally bound by an FX Transaction only in accordance with Clause 2.2(g).
 - (b) Any communication from us that we are considering any request, order or instruction from you does not create a contract between us.
 - (c) We may:
 - (i) require that you deposit funds with us, or provide other credit support or Security to us, before we enter into any FX Transaction with you, or for any outstanding FX Transaction; and
 - (ii) determine that transaction or position limits will apply from time to time in respect of FX Transactions we enter into with you,

and you must provide the funds, credit support or Security requested by us, and comply with those transaction or position limits.

- (d) If your obligations under the FX Transactions are supported by a guarantee, we may at any time review the guarantee and require that you provide additional funds, credit support or Security if in our opinion, any guarantor is or will be unable to perform their obligations in full under the guarantee.
- (e) We will determine:
 - (i) whether to proceed with any request, order or instruction to enter into an FX Transaction;
 - (ii) the time we will be willing to do so; and
 - (iii) how we will execute that request, order or instruction, including whether to execute all or part of the request, order or instruction, unless we have otherwise expressly agreed to different terms of execution.
- (f) The currency exchange or other rates that will apply to an FX Transaction will be determined by us. Except to the extent required by applicable Laws, our sales and trading personnel are not required to disclose the amount of revenue we expect to earn from an FX Transaction, or any of the components of our price.
- (g) You and we are legally bound by an FX Transaction from the time the terms of the FX Transaction are agreed between us. However, you are bound whether our acceptance is communicated to you or not. If the FX Transaction:
 - (i) is entered into orally, this occurs when you orally communicate your acceptance of the terms of the FX Transaction to our trading or dealing personnel; or
 - (ii) is entered into electronically, via an electronic service or system agreed by us, this occurs at the earliest time we are deemed to have received your electronic acceptance in accordance with any agreed terms or commonly accepted market practice.
- (h) At our discretion, you may make an order (a "**Rate Order**") in respect of an FX Transaction to us from time to time, which sets out a target exchange rate at the level you wish to transact (the "**Target Rate**") within a specified time period and such other information as we may require.
- (i) If you make a Rate Order:
 - (i) the Rate Order will be an offer by you (which will be irrevocable) to enter into the FX Transaction with us at or after the time we determine the market has reached a level (including any margin) at which we can enter into an FX Transaction with you at or close to the Target Rate, at the transaction exchange rate determined by us, without you having prior notice of, or opportunity to consider or negotiate, that transaction exchange rate; and
 - (ii) we may determine whether to accept your offer (even if the Target Rate is reached) and may take into account any market disruption events or other events affecting the currency or other financial markets generally.
- (j) We may confirm the terms of an FX Spot Transaction orally or in a written Confirmation. The terms of an FX Forward Transaction will be confirmed by us in a written Confirmation.
- (k) A written Confirmation may be sent to you by any media as set out in Clause 5 of Part A. If you do not notify us within five (5) days after the date of the Confirmation of any error or discrepancy in the Confirmation, you will be taken to have accepted, and to be bound by, those terms.
- (l) Each Confirmation of an FX Transaction will form part of and be subject to this Part D. To the extent there is any conflict or inconsistency between the terms of any Confirmation and Part D, the terms of the Confirmation will prevail.
- (m) You are bound by the terms of the FX Transaction even if we fail to send a written Confirmation or it contains errors. Any failure or delay by us in issuing a Confirmation, or any failure by you to respond or

return an executed Confirmation to us when you are requested to do so, will not affect the validity of the relevant FX Transaction.

- (n) We may, at your request, agree to rollover an existing FX Transaction at current rates and any loss arising from such extension will be for your account.

3. Payment obligations

3.1. Deliverable and Non-Deliverable Transactions. Unless we elect that payment netting will apply under Clause 3.5, on the Settlement Date for an FX Transaction:

- (a) if the FX Transaction is a Deliverable Transaction:
 - (i) you must pay the Amount Purchased by us to us; and
 - (ii) we will (subject to the satisfaction of your corresponding obligation under Clause 3.1(a)(i)) pay the Amount Sold by us to you; or
- (b) if the FX Transaction is a Non-Deliverable Transaction:
 - (i) we will notify you of the Settlement Currency Amount;
 - (ii) if the Settlement Currency Amount is a positive number, the Reference Currency Buyer will pay that amount in the Settlement Currency to the Reference Currency Seller on the Settlement Date; or
 - (iii) if the Settlement Currency Amount is a negative number, the Reference Currency Seller will pay the absolute value of that amount in the Settlement Currency to the Reference Currency Buyer on the Settlement Date.
- (c) We may require an FX Transaction that is a Deliverable Transaction to settle in accordance with Clause 3.1(b), in the same way as if it were a Non-Deliverable Transaction and will notify you of that election together with notice of the applicable Settlement Currency Amount.

3.2. Payment under an FX Transaction. Each payment to be made by you under an FX Transaction must:

- (a) be made in the Agreed Currency and in cleared and immediately available funds; and
- (b) be made and received by us on the due date and by the cut-off time we notify to you.

3.3. Provision of Settlement Instructions. You must provide your Settlement Instructions to us before we are required to make a payment. If you do not provide Settlement Instructions, we may take any action as we consider appropriate including to:

- (a) defer a funds transfer until we receive your Settlement Instructions;
- (b) rollover the FX Transaction on such terms as we determine to be appropriate; and/or
- (c) terminate the FX Transaction on the date determined by us, in which case the date of termination determined by us will be an Early Termination Date in respect of the relevant FX Transactions. For the purposes of this Part D, Clause 5.3 will apply to the terminated FX Transaction and a Termination Amount will become payable in respect of the terminated FX Transaction.

Nothing in this Clause limits or restricts any of our other rights under the Agreement.

3.4. Conditions Precedent. Our obligations in respect of an FX Transaction under this Clause 3 and each Confirmation are subject to the following conditions precedent:

- (a) no Termination Event (or any event which would constitute a Termination Event) has occurred and is continuing;

- (b) no Early Termination Date has occurred and the FX Transaction has not otherwise been terminated;
 - (c) we have received payment of all amounts payable by you to us under Clause 3.1 on or before the Settlement Date; and
 - (d) each other applicable condition precedent specified in any Confirmation has been satisfied.
- 3.5. Payment netting. If, on any Settlement Date, more than one delivery of a particular currency is to be made between us and you under two or more FX Transactions, then we may notify you that payment netting will apply to specified FX Transactions. If payment netting applies to two or more FX Transactions:
- (a) we will aggregate the amounts of that currency deliverable by each party and determine the difference between the larger aggregate amount and the smaller aggregate amount; and
 - (b) only the difference between these aggregate amounts must be delivered by the party owing the larger aggregate amount to the other party.
- 3.6. Aggregate amount. If the aggregate amount payable of the relevant currency under the FX Transactions referred to in Clause 3.5 by each party is the same, both parties' obligations to deliver the aggregate amount are discharged on the relevant Settlement Date and no delivery of that currency is required to be made by either party.
- 3.7. Other obligations. If payment netting applies to delivery of a particular currency amount under an FX Transaction, it does not affect the parties' obligations for any other currency amount due under the FX Transaction.
- 3.8. Withdrawal of notice. We may withdraw any notice that payment netting will apply to an FX Transaction at any time before the relevant Settlement Date and will notify you accordingly.
- 3.9. Settlement deposit. If for any FX Transaction you have an obligation to pay to us:
- (a) the Amount Purchased by us; or
 - (b) a Settlement Currency Amount;

and that obligation is to be settled from a fixed deposit you place with us or funds in any other Account designated for that purpose (the "**Settlement Deposit**"):

- (i) we are under no obligation to return the Settlement Deposit to you and no amount outstanding to the credit of the Settlement Deposit will be due or accrue due or be payable to you except with our written consent; and
- (ii) you may not withdraw any sum from the Settlement Deposit, or otherwise deal with the Settlement Deposit, until you have paid the Amount Purchased by us or the Settlement Currency Amount, as the case may be, to us in full.

We may exercise our rights under Clause 2.10 of Part C with respect to the Settlement Deposit without the need to give prior notice. Paragraphs (i) and (ii) above will not apply to the extent it would prejudice our rights with respect to the Settlement Deposit, including any right to set off and deduct from the Settlement Deposit or any other Account any amount you or your Affiliate owes us, to combine or consolidate all or any of your Accounts with us or to make a withdrawal from any Account.

- 3.10. Inward remittance. If the Amount Purchased by us or any Settlement Currency Amount payable by you to us is to be settled by means of an inward remittance to us from another bank, you must ensure that the remitting bank gives us the authenticated payment instructions or confirmation of credit by such means, and such number of Business Day(s) before the Settlement Date, as we notify to you.
- 3.11. Due date. Unless otherwise specified in the related Confirmation, if the due date for payment or delivery under an FX Transaction falls on a date which is not a Business Day, the due date will instead be the first following day that

is a Business Day unless that day falls in the next calendar month, in which case the due date will be the first preceding day that is a Business Day.

- 3.12. Payment held on trust. If we, in our absolute discretion, make a payment under an FX Transaction before you have satisfied your corresponding obligation under that FX Transaction, you will hold that payment on trust for us until your obligation under that FX Transaction is satisfied in full.
- 3.13. Determinations and calculations. All determinations and calculations required under an FX Transaction will be made by us and will be binding on you in the absence of manifest error.

4. Adjustments to FX Transactions

- 4.1. Adjustment Event. An Adjustment Event will occur with respect to an FX Transaction if we determine that, due to any event or circumstances (including any act of state, Extraordinary Event or Force Majeure Event):
- (a) it is, is likely to, or asserted by any central bank or regulatory authority to be, impracticable, impossible or illegal to perform any of your or our respective obligations under an FX Transaction; or
 - (b) we determine that we will likely receive payments under an FX Transaction from which an amount is required to be deducted or withheld for Tax reasons due to any judicial action or change in the relevant Tax Laws on or after the Trade Date of the FX Transaction.
- 4.2. Determination of adjustment or action. If an Adjustment Event occurs we may determine any adjustments or action necessary in relation to the Affected FX Transaction. If we terminate the Affected FX Transaction on a date determined by us, that date will be deemed an Early Termination Date and an amount (the "**FX Close-out Amount**") will become payable in respect of the terminated Affected FX Transaction (as determined by us in the same manner as a Termination Amount is calculated under Clause 5.3, and to which the Termination Amount provisions under this Part D will apply). We will notify you of the FX Close-out Amount and the FX Close-out Amount will be immediately due and payable by you in the Termination Currency.
- 4.3. Adjustment or action is binding. Any adjustment or action taken by us following the occurrence of an Adjustment Event will be binding on you. You will be liable for any additional loss incurred by us on your account or which you are consequently liable for as a result of such adjustment or action.

5. Early Termination

- 5.1. Termination Event. In addition to any of our termination or suspension rights, we may terminate any outstanding FX Transactions on a date determined by us if any of the following events (each a "**Termination Event**") occur:
- (a) any event specified in Clause 13.2 of Part A;
 - (b) you or any Security Provider does not pay any amount due by you or it, or fails to perform any obligation, under any FX Documents or any other agreement between you or the Security Provider and us, on the due date or on demand (as applicable);

- (h) any event or change or series of events or changes occurs which, in our opinion, might have a material or adverse effect on your business or financial condition or of any Security Provider or any of your Affiliates or a material or adverse effect on your ability or the ability of any Security Provider or any of your Affiliates to perform its respective obligations under any FX Documents;
- (i) your management is wholly or substantially displaced or has its authority curtailed;
- (j) any Security Document is in our opinion in jeopardy and we notify you or the relevant Security Provider;
- (k) where you or a Security Provider is an individual, any event has occurred which in our opinion, deems you or the Security Provider incapable of managing their affairs, deems yours or the Security Provider's credit-worthiness becoming materially weaker, or has the effect of deeming you or the Security Provider insolvent or bankrupt;
- (l) where you or a Security Provider is a general partnership or a limited partnership:
 - (i) any of the events set out in Clause 5.1(a) to (j), amended so that references to you are replaced with references to any Partner, occurs; or
 - (ii) any event has occurred which in our opinion, deems any Partner incapable of managing their affairs or the partnership's affairs, deems the credit-worthiness of the partnership or any Partner becoming materially weaker, has the effect or potential effect of any Partner ceasing to be jointly liable, terminating or dissolving the partnership, or amending the partnership agreement or altering the partnership's composition or constitution without our prior written consent;
- (m) where you or a Security Provider is a trustee of a trust, any event has occurred which in our opinion, has the effect of you or the Security Provider (as applicable) ceasing to be trustee of the trust for any reason whatsoever (other than when we have provided written consent to another trustee being appointed in our sole discretion), the trust property being under administration or wound up, terminating the trust or the trust property being resettled or mixed with other property without our prior consent, or has the effect of restricting you or the Security Provider's (as applicable) right of indemnity from the trust property or ability to comply with this Agreement without our prior written consent;
- (n) there occurs, in our opinion, a material adverse change or any development which may result in a prospective material adverse change in the monetary, political, financial or economic conditions or exchange controls in any jurisdiction;

- (p) any termination event or additional termination event in any Confirmation occurs; or
- (q) we notify you that we wish to terminate all or any outstanding FX Transactions or all or any Services under this Part D.

- 5.3. Early Termination Date. If we terminate any or all FX Transactions on a given date under Clause 5.1 or automatically under Clause 5.2, or otherwise under the terms of this Part D (the date of termination being the "**Early Termination Date**"):
- (a) neither you or we will be obliged to make any further payments or deliveries under the terminated FX Transactions which would have fallen due on or after the Early Termination Date and those obligations will be satisfied by settlement of the Termination Amount or the FX Close-out Amount (as applicable) in respect of the terminated FX Transactions;
 - (b) we will determine in good faith and in a commercially reasonable manner (i) our total loss or gain as a result of the early termination of the terminated FX Transactions and (ii) any amounts that became or would have become due and payable by either you or us on or before the Early Termination Date and not paid; and
- to the fullest extent permitted by applicable Laws, we will aggregate and net all such amounts due from you and to you as determined under Clause 5.3(b) against one another (the net amount being referred to as "**Termination Amount**").
- 5.4. Termination Amount. We will calculate the Termination Amount:
- (a) as of the Early Termination Date or the date(s) following the Early Termination Date as we determine is commercially reasonable; and

12. Generic Risk Disclosure Statement

- 12.1. Purpose.
- (a) This Risk Disclosure Statement covers certain risks associated with entering into FX Transactions and is intended to be generic in nature. A large part of minimising risk should begin from reading the terms of each FX Transaction carefully but there is also a need to be informed of the various forms of risk, such as market risk, credit risk, liquidity risk, funding risk, operational risk and legal risk. A more detailed disclosure statement is set out below.
- (b) With respect to capacity, you should be aware that we are at all times acting as a potential arm's length counterparty to you, and not as your financial adviser or fiduciary, unless we have otherwise agreed in writing. This does not imply that we do not at any time render advisory services, merely that this only occurs where we assume a positive responsibility for your portfolio and expressly agree in writing to provide advisory services to you.
- (c) You should also be aware that we and/or our Affiliates may from time to time take proprietary positions and/or make markets in instruments identical or economically related to the FX Transactions entered into with you, or may have an investment banking or other commercial relationship with and access to information from the issuer(s) of securities, financial instruments or other interests underlying FX Transactions entered into with you. We may also undertake proprietary activities, including hedging transactions related to the initiation or termination of an FX Transaction with you that may adversely affect

the market price, rate, index or other market factor(s) underlying an FX Transaction entered into with you and consequently the value of the FX Transaction.

12.2. Acknowledgement.

You acknowledge that:-

- (a) the risk of loss in dealing with foreign exchange contracts can be substantial. Before entering into an FX Transaction, you should study and understand the foreign exchange market in detail and, if necessary, seek independent legal and financial advice;
- (b) we are at all times acting as an arm's length counterparty and enter into each FX Transaction as principal and not as your financial adviser, agent or fiduciary, unless we have otherwise agreed in writing. We do not and will not be deemed to give you any advice whether written or oral other than the representations (if any) set forth in any Confirmation signed or executed by you after negotiations with us as your counterparty; and
- (c) we and/or our Affiliates may from time to time take proprietary positions and/or make markets in instruments identical or economically related to the FX Transactions entered into with you, or may undertake proprietary activities, including hedging transactions related to the initiation or termination of an FX Transaction with you that may adversely affect the market price, rate or other market factor(s) underlying an FX Transaction and consequently the value of the FX Transaction.

13. Risk Disclosure Statement

13.1. Before considering any FX Transaction, you must consider whether the FX Transaction is appropriate in the light of your objectives, experience, financial, risk management and operational resources and other relevant circumstances. The expressly stated terms of the FX Transaction are the next step to note.

13.2. Before entering into any FX Transaction, you should inform yourself of the various types of risk and the nature and extent of the exposure to risk of loss, which may significantly exceed the amount of any initial payment by or to you. The following are given as illustrations of the types of risks which you may encounter. This list is not exhaustive.

- (a) **Market Risk.** There is a general risk of market failure which arises from political or financial or macro-economic developments.
- (b) **Credit Risk.** There is a risk of counterparty or our default which may arise from, amongst others, insolvency factors. As a guide, you are advised to refer to the latest reports from reputable rating agencies.
- (c) **Legal and Enforcement Risks.** There is a risk that default due to for example, credit failure, will lead to consequential legal and enforcement problems.
- (d) **Liquidity Risk.** The benefits of customisation in achieving particular financial and risk management objectives may be offset by significant liquidity risks.
- (e) **Operational Risk.** It is essential to ensure that proper internal systems and controls are sufficient to monitor the various types of risk which can arise and which can be quite complex.
- (f) **Emerging Markets.** Transactions involving emerging markets involve higher risk as the markets are highly unpredictable and there may be inadequate regulations and safeguards available to participants in such markets.

THIS BRIEF STATEMENT DOES NOT PURPORT TO DISCLOSE ALL OF THE RISKS OR OTHER RELEVANT CONSIDERATIONS OF ENTERING INTO FX TRANSACTIONS. YOU SHOULD REFRAIN FROM ENTERING INTO ANY SUCH FX TRANSACTION UNLESS ALL RISKS ARE FULLY UNDERSTOOD AND YOU HAVE INDEPENDENTLY DETERMINED THROUGH A LEGAL OR FINANCIAL ADVISER THAT THE FX TRANSACTION IS APPROPRIATE FOR YOU IN THE LIGHT OF YOUR OBJECTIVES, EXPERIENCE, FINANCIAL, RISK MANAGEMENT AND OPERATIONAL RESOURCES AND OTHER RELEVANT

CIRCUMSTANCES. WE ARE ACTING SOLELY IN THE CAPACITY OF AN ARM'S LENGTH COUNTERPARTY AND NOT IN THE CAPACITY OF A FINANCIAL ADVISER OR FIDUCIARY UNLESS WE EXPRESSLY AGREE OTHERWISE IN WRITING.

HONG KONG JURISDICTION SCHEDULE

This is a Jurisdiction Schedule as referred to in the General Banking Terms and Conditions. It will only apply where you open an Account with a DBS Group Member located in Hong Kong or where a DBS Group Member located in Hong Kong provides you with any Service.

1. Your responsibilities

- 1.1. Period for objecting to inaccuracies. For the purposes of Clause 5.8 of Part A, you must object to any inaccuracies in any Correspondence (including electronic statements or transaction records) within 90 days after receiving it (or, in the case of an electronic statement, within 90 days after the date shown on it). You should check the advice slip for any over-the-counter transactions before leaving the counter. It may not be possible to correct any mistake later.
- 1.2. Using stamps or similar instruments.
- (a) You must not use stamps, seals, chops or similar instruments in any cheques or Correspondence with us, unless you tell us first and we agree to this.
 - (b) You must tell us immediately if any seal, chop or identification we accept for use with any Service is lost, destroyed, damaged or changed. We are not liable for any loss from a payment or transaction occurring before you notify us and we have had reasonable time to act on your notice. This is unless (and only to the extent) the loss is caused directly by our negligence or wilful misconduct.

2. Accounts

- 2.1. Withdrawals.
- (a) Cash withdrawals may be made by presenting a duly signed and completed Form or any other documentation we may require, including the passbook in the case of a passbook savings Account.
 - (b) You cannot make cash withdrawals by cheque, bill of exchange or other negotiable instrument (used in place of cash).
 - (c) Any payment we make to any person who produces the documents required under paragraph (a) above will have the same effect as if that payment had been made directly to you, and we will have no further liability to you or to any other person. We may (but need not) refuse to make this payment.
 - (d) If you want to withdraw cash in a specific currency, this will depend on the cash we have available in that specific currency. You may have to give us notice beforehand.
- 2.2. Closing Accounts. For the purposes of Clause 13.3 of Part A, you must give us 30 days' prior notice if you want to close your Account. We may accept a shorter notice period.
- 2.3. Dormant Accounts. If your Account is maintained in Hong Kong and we consider it to be dormant:
- (a) We may stop paying interest on such Account and charge a dormant account fee.
 - (b) Before charging a dormant account fee on such Account for the first time, we will give you 30 days' notice. We may deduct all dormant account charges from the Account without giving you further notice. We may do this until the Account balance reaches zero. We will then close the Account without giving you any further notice.

3. Passbook savings Accounts

- 3.1. Passbook. We will give you a passbook which you should present every time you want to make a withdrawal and for updating any unposted transactions. Only we may make entries in the passbook. You cannot transfer your passbook and you must not at any time and in any way pledge your passbook to anyone as security.

- 3.2. Updating and checking the passbook. Your passbook is for your reference only. It does not show the final current balance of your savings Account as deposits or withdrawals may be made or charges deducted from your Account without the passbook being produced to us or without us updating it. You should check your passbook and present it for regular updating or ask for a statement showing any unposted entries in line with Clause 3.3 below, as appropriate.
- 3.3. Consolidated statements of unposted transactions. We may consolidate (add together) transactions which are not entered or posted in your passbook, and only the total credit and debit amounts may be printed as one single entry in your passbook when it is updated. We will not update individual items in the passbook in these circumstances. We may decide to send you statements of your Account listing transactions not entered in your passbook. You may write and ask us for a statement of your Account showing each unposted entry within a particular period. You will have to pay our handling charge for this.
- 3.4. Losing the passbook. You must immediately contact us in writing if your passbook is stolen, lost, destroyed or damaged. We are not liable for any payment made before receiving your notice and having reasonable time to act. We may issue a new passbook to you and may deduct any fee for this service from your Account.

4. Cheques

- 4.1. Stopping payments. Your instructions to stop a cheque will be valid for seven months from the date you issue the cheque or, if you cannot give us the date you issued the cheque, from the date we receive your instructions.
- 4.2. Electronic recording of cheques. Cheques written by you which have been paid may, after having been recorded electronically, be kept by the relevant collecting bank or HKICL for any period stated in the operational rules of the clearing house operated by HKICL. After the end of the period, the cheques may be destroyed by the relevant collecting bank or HKICL. You authorise us to make arrangements with the relevant collecting bank and HKICL in connection with dealing with cheques in this way.
- 4.3. e-Cheques. If you use any e-Cheque related services, you agree to observe the terms relating to our e-Cheque deposit services which are shown in the e-Cheques Deposit Services provisions which we issue from time to time. These provisions form part of the Agreement. You can ask us for a copy of the e-Cheques Deposit Services provisions at any branch or you can get one from the website at www.dbs.com.hk.
- 4.4. Using cheques. You should use cheques as follows:
- (a) When you write cheques, the figures and words must be written clearly and in permanent ink so they cannot be changed by someone who is not authorised to do so. You should add the word 'only' immediately after the amount shown in words. You should only use Arabic numerals for figures.
 - (b) If you need to make a change to anything on the cheque, you should do so clearly so we can see the change easily. You or your Authorised Person will need to sign next to each change using the specimen signatures registered with us. As cheques which use initials or abbreviations can be easily changed, we may not accept them unless we have made specific written arrangements with you beforehand. We will not be liable for any losses arising from or in connection with alterations which we cannot easily see.
 - (c) You should never issue blank cheques or signed but incomplete cheques to any person. It is safer if cheques are always crossed and not made out 'to bearer'.
- 4.5. Out of date cheques. For the purpose of Clause 6.5 of Part C, we will generally treat cheques which are dated more than six months before the date of presentation as out of date.

5. RMB Services

- 5.1. For the purpose of Clause 2.16 of Part C, we consider RMB to be a Restricted Currency. The provisions of Clause 2.16 of Part C apply to Services and transactions involving RMB.

- 5.2. The following are given as illustrations of the types of risks which you may encounter with Services and transactions involving RMB:
- (a) Restrictions under the Laws of the PRC or other applicable jurisdictions apply to transfers of RMB into and out of the PRC. You agree that RMB transactions involve extra currency risk as a result of currency, convertibility and other restrictions which are or may be imposed under the RMB Rules and which may affect the availability or convertibility of RMB, the availability of RMB transactions (including the exchange and conversion of RMB through banks in Hong Kong or elsewhere) or gains or losses arising from RMB transactions.
 - (b) You may be taking on our credit risk with respect to payments due under certain transactions entered into with us in RMB.
 - (c) Certain RMB transactions may be susceptible to interest rate fluctuations, which may adversely affect their mark-to-market value.
 - (d) There is a general risk of market failure which arises from political or financial or macro-economic developments.
 - (e) There is a risk that default due to, for example, credit failure, will lead to consequential legal and enforcement problems.
- 5.3. The above is not an exhaustive list and does not purport to disclose all of the risks or other considerations relevant to Services and transactions involving RMB. You should not use any Services or enter into transactions involving RMB unless all risks are fully understood and you have independently determined that such Service or transaction is suitable for you in the light of your objectives, experience, financial, risk management and operational resources and other relevant circumstances.

6. Processing of Instructions and Transactions

We will process and give effect to your instructions and any transaction in accordance with our usual business and operational practice and subject to any applicable processing or cut-off times. Normally, we will do so during our usual business hours on a Business Day. However, we may not be able to process or give effect to your instruction or a transaction outside our usual business hours on weekdays, Saturdays, Sundays, public holidays, or during a black rainstorm signal or a typhoon signal number 8 (or above), in which case we may only be able to do so on the next Business Day.

 - (i) you understand that the biometric authentication module of your mobile device is not provided by us, and we make no representation or warranty as to the security of the biometric authentication function of any mobile device and whether it works in the way that the manufacturer of the device represents;
 - (ii) we do not represent or warrant that biometric authentication will be accessible at all times, or function with any electronic equipment, software, infrastructure or other Services that we may offer from time to time;
 - (iii) unless a Law prohibits us from excluding or limiting our liability, we are not liable for any loss you incur in connection with the use or attempted use of the biometric login function of our digital Services (including any instructions or any unauthorised transactions arising from the use of the biometric login function to access our Services); and
 - (iv) you agree to indemnify us against all losses which we may incur in connection with any improper use of the biometric login function or the use of any other biometric credentials in connection with our Services.

7.2. Electronic instructions and electronic signatures.

Once any Telephone Instructions have been acknowledged by us, they are treated as accepted and binding and any amendment, cancellation or reversal is not normally possible. We may, at our sole discretion, agree to effect any such amendment, cancellation or reversal. We reserve the right to reject certain types of instructions given by way of Telephone Instructions.
- 8.4. Confirmation of Telephone Instructions. Each Telephone Instruction will be confirmed by a confirmation reference number, if applicable, given during the same telephone call.

12. Suspicious payee account alerts for money transfer

12.1. Alerts and Money Transfers.

- (a) This Clause 12 applies to the Alerts and the Money Transfers as defined in paragraph (b) below. If there is any inconsistency between this Clause 12 and the other terms and conditions of the Agreement, this Clause 12 will prevail insofar as the Alerts and Money Transfers are concerned. You confirm, acknowledge and agree that, by making any Money Transfer, you have accepted and will be bound by this Clause 12.
- (b) For the purpose of this Clause 12:

"Alert" means a warning message that a Money Transfer or the relevant payee or payee account may involve fraud or scam.

"Anti-fraud Database" includes any anti-fraud search engine and/or anti-deception database (including Scameter) operated or managed by the Hong Kong Police Force or any other law enforcement agency or governmental body or regulatory authority of Hong Kong, whether it is accessible by the public in general or by designated entities or organisations.

"Money Transfer" means a transfer of money by you through us via any channel or means or in any currency determined by us from time to time, including through one or more of the Digital Channels, electronic banking, e-wallet, mobile banking, automated teller machine, cash deposit machine and bank counter at any of our branches, whether the payee account is maintained with us or not; and where the context requires or permits, includes an instruction given by you to us to make a Money Transfer.

12.2. Reason for sending Alerts. The Alerts are intended to help you stay vigilant against frauds, scams and deceptions when making Money Transfers. You shall not take the Alerts as replacing your responsibility for safeguarding your own interests, money and assets from fraud or other illegal activities. By sending an Alert to you, we do not assume any such responsibility on your behalf.

12.3. Our role, responsibilities and limitation of liability.

(a) You acknowledge and agree that we:

- (i) do not control the management, operation or any other aspect of any Anti-fraud Database;
- (ii) compile the Alerts solely based on the information available from the Anti-fraud Databases from time to time; and
- (iii) do not compile any Alert relating to a payee, a payee account or a transaction if no information in relation to it is available from any Anti-fraud Database.

Therefore, you acknowledge and agree that we cannot and do not warrant whether any information available from any Anti-fraud Database is complete, true, accurate or up-to-date, or that any Money Transfer for which you do not receive an Alert is not fraudulent or that any Money Transfer for which you receive an Alert is fraudulent. Our records of our delivery of any Alert to you and any response from you whether to proceed with or cancel a Money Transfer shall have conclusive effect in the absence of manifest error.

(b) We may compile and deliver an Alert in such ways as we consider appropriate. We have sole and absolute discretion to determine and/or vary, from time to time and without further notice to you, the contents of any Alert, the channels or means through which any Alert is delivered, and/or the currency(ies) of any Money Transfer, having regard to our needs and the feedback, comments, guidance and/or recommendations from any relevant person. Relevant persons may include any law enforcement agencies or other governmental bodies, or regulatory authorities or industry associations of Hong Kong. We may deliver any Alert to you through Digital Channels or by electronic or other means.

(c) We are not liable for any loss, damage or expense of any kind which you or any other person may incur or suffer arising from or in connection with any information available or omitted from any Anti-fraud Database, or any delay, unavailability, disruption, failure, error of or caused by any Anti-fraud Database, or arising from any circumstances beyond our reasonable control.

(d) We are not liable for any loss, damage or expense of any kind which you or any other person may incur or suffer arising from or in connection with any Alert (or any delay or unavailability of any Alert), or the processing, execution or cancellation of any Money Transfer affected by an Alert (or by any delay or unavailability of any Alert), except to the extent such loss, damage or expense incurred or suffered is direct and reasonably foreseeable, and arises directly and solely from our negligence or wilful default or that of our officers, employees or agents.

(e) In no event will we, our Affiliates, the DBS Group Members, our licensors, and our and their respective officers, employees and agents be liable to you or any other person for any loss of profit or any special, indirect, incidental, consequential or punitive loss or damages (whether or not they were foreseeable or likely to occur).

(f) Nothing in this Clause 12 is intended to exclude or restrict any right or liability to the extent it may not be lawfully excluded or restricted.

12.4. Your responsibilities.

You are responsible for taking reasonably practicable steps to safeguard your own interests, money and assets from fraud or other illegal activities. You are responsible for checking and ensuring that the payee, the payee account, the transaction and the transaction details are real and trustworthy in each case. You should consider

carefully whether to proceed with or cancel a Money Transfer affected by an Alert. Your decision to proceed with or cancel a Money Transfer affected by an Alert is binding on you and you will be solely responsible for the consequences.

13. **Applicable Local Practice**

Any reference to a Law under the Agreement includes, unless the context otherwise requires, a reference to Applicable Local Practice. Our relationship with you under the Agreement, including the provision of any Account or Service to you, is subject to our observance of and compliance with Applicable Local Practice. Notwithstanding the terms of the Agreement, you agree and acknowledge that:

- (a) we may do anything which may be required for us in order to comply with and follow any Applicable Local Practice;
- (b) we will not need to do anything required of us in the Agreement if doing so would or might in our reasonable opinion result in a breach of or our non-compliance with any Applicable Local Practice; and

- (f) You agree that:
 - (i) we may disclose any information, document or data about you to, and otherwise use, any Anti-Fraud Initiatives for the purposes of detecting, reporting and preventing known or suspected fraud;
 - (ii) such information, document or data may be accessed and used by regulators, regulatory authorities, law enforcement agencies, other authorities, us and/or other banks and financial institutions that have access to such Anti-Fraud Initiatives (whether alone or with other information, documents and data) for the purposes of detecting, reporting and preventing fraud, deciding whether or not to provide any services to you and for other lawful purposes; and
 - (iii) where any information, document or data you provide or disclose to us relates to any other person, you confirm that you have obtained all necessary consents to share this with us and for us to

disclose and use such information, document or data of such other person in accordance with paragraphs (i) and (ii) above, and you hereby provide this consent on behalf of that person.

15. Disclosure to related parties

Without prejudice to or limiting our rights under the Agreement or at Law, you hereby agree to, acknowledge and authorise our disclosure to any actual or proposed borrower(s), co-borrowers, guarantor(s), security provider(s) or any other person otherwise securing or guaranteeing your liabilities under any part of the Agreement or any other agreement or document entered into between you and us (including their or our solicitors) of the following information and documents:

17. Changes to the Agreement

- (a) If we make any changes to the Agreement which relate to fees and charges (including their amount) or your liabilities and obligations under the Agreement, we will give you 30 days' notice, unless the changes are out of our control.

- 9. Other terms and conditions**
- 9.1. No offer or invitation. Any price or rate issued by us under any Service referred to in this Service Schedule does not constitute and is not to be treated as an offer, invitation or recommendation by us to enter into a transaction with you. Your obligations to reimburse and indemnify us shall not be affected by any such payment to the beneficiary.

- (c) You acknowledge that any advance payment will not be placed on deposit or otherwise credited to your Account and no interest will accrue on any advance payment. Once an advance payment has been made (whether by way of transfer, set-off, the exercise of our right to debit or otherwise), you do not have any further title, interests, rights or benefits to any of the amounts comprising such advance payment.
- (d) We may refund to you the relevant part of any advance payment (as determined by us) if:

- (i) the beneficiary may transfer or assign the Trade Instrument to a third party without prior notice to you or your prior written consent;
- (ii) we and our Correspondent Bank are entitled to honour a demand from and make payment to any party who purports to be the transferee or assignee; and

This includes accrued interest and any costs and expenses incurred by us in connection with such export financing.
 - (ii) If we receive any proceeds of the relevant bill of exchange, Documentary Credit or the receivables arising from the sales/services contract relating to such bill of exchange or Documentary Credit, you hereby irrevocably authorise us to apply such proceeds to repay amounts owing to us under the relevant export financing and Your Liabilities in any manner or order that we determine.  - (B) debit such proceeds from your Account for settlement on the due date.
- We will use our prevailing rate of exchange for any currency conversion that we may need to make for such settlement.

- (d) If any export financing set out in paragraph (a) above is on a "full recourse" basis and there is an Internal Hedging Arrangement in effect for that export financing, we may demand at any time after a Non-Payment has occurred that you pay us the full amount of the Documentary Credit or the bill of exchange in, as applicable, the Documentary Credit Currency or Bill Currency. You shall immediately make such payment upon our demand.
- (e) Your obligations and liabilities to us in relation to any export financing are independent of, and in addition to, your obligations and liabilities under any Hedging Transaction you enter into with us in relation to such export financing.
- (f) If you have not entered into a Hedging Transaction with us in relation to any export financing set out in paragraph (a) above, you shall upon our request, promptly enter into a Hedging Transaction with us in relation to such export financing on terms that are satisfactory to us.

SERVICE SCHEDULE - FPS-RELATED SERVICES

This is a Service Schedule as referred to in the General Banking Terms and Conditions. It will only apply where we have agreed to provide you with any Service in relation to the Faster Payment System under this Service Schedule.

1. Services relating to Faster Payment System

- 1.1. We provide the FPS Services to you to facilitate payments and funds transfers using the Faster Payment System. The Faster Payment System is provided and operated by HKICL. The FPS Services are therefore subject to the rules, guidelines and procedures imposed by HKICL in relation to the Faster Payment System from time to time. This Service Schedule governs our provision to you and your use of the FPS Services. The FPS Services form part of our banking services. The provisions of the General Banking Terms and Conditions continue to apply to the FPS Services to the extent that they are relevant and not inconsistent with the provisions in this Service Schedule. Unless otherwise specified, the provisions of this Service Schedule prevail if there is any inconsistency between them and the provisions of the General Banking Terms and Conditions with respect to the FPS Services.
- 1.2. By requesting us to register any Proxy ID for you in the HKICL FPS or to set up any eDDA for you using the HKICL FPS, or by initiating any payment or funds transfer using the HKICL FPS, you will be regarded as having accepted and will be bound by the provisions of this Service Schedule. You should not request us to register any Proxy ID or set up any eDDA for you and should not initiate any payment or funds transfer using the HKICL FPS unless you accept the provisions of this Service Schedule.

2. Scope of FPS Services and conditions for use

- 2.1. We provide the FPS Services to customers to facilitate payment and funds transfer using the Faster Payment System and the Addressing Service, eDDA Service and any other services and facilities provided by HKICL in connection with the Faster Payment System from time to time. We have the right to set or vary from time to time the scope of the FPS Services and the conditions and procedures for using the FPS Services. In order to use the FPS Services, you have to accept and follow these conditions and procedures.
- 2.2. We may provide the FPS Services to facilitate payment and funds transfer in any currency specified by us from time to time, including Hong Kong dollars and Renminbi.
- 2.3. In order to enable us to handle an instruction for you in relation to payment or funds transfer using HKICL FPS, you have to provide or input the necessary information and complete the process by such means or in such manner prescribed by us from time to time.
- 2.4. All payment or funds transfer transactions using HKICL FPS will be processed, cleared and settled under the interbank clearing and settlement arrangements including the arrangements in relation to the Faster Payment System as agreed by the Participants and HKICL from time to time.
- 2.5. We reserve the right to suspend or terminate the FPS Services in whole or in part at any time without giving notice or reasons. Where your relevant account is closed or suspended, any services under this Service Schedule will automatically be terminated.

3. Addressing Service - registration and amendment of Proxy ID and related records

- 3.1. In order to use the Addressing Service to receive payment or funds transfer using HKICL FPS, you have to register your Proxy ID in the HKICL FPS. You can register an account for FPS proxy (email, mobile or FPS Identifier) using our online channels and/or through an offline registration form. We have discretion as to whether to offer the Addressing Service to you.
- 3.2. Registration and amendment of Proxy ID and related records in the HKICL FPS must be done in accordance with the applicable rules, guidelines and procedures imposed by HKICL from time to time. In order to enable us to register or amend a Proxy ID or any related records for you, you have to provide or input the necessary information and complete the registration process by such means or in such manner prescribed by us from time to time.

- 3.3. At any time where the same Proxy ID is registered by you for more than one account (whether maintained with us or with any other Participant), you must set one account as the Default Account. By instructing us to set or change the Default Account for you, you consent and authorise us to submit the request on your behalf to HKICL FPS to override the existing Default Account registered in HKICL FPS.

4. eDDA Service

In order to enable us to handle a request for you in relation to eDDA setup, you have to provide or input the necessary information and complete the process by such means or in such manner prescribed by us from time to time. The prescribed process may include requiring the relevant parties to set up the eDDA using their respective account numbers or customer identification numbers or codes. For eDDAs, with real time direct debits, a Proxy ID will be registered for the account number used to receive the funds.

5. Your responsibility

- 5.1. Present genuine owner or authorised user of Proxy ID and accounts. You can only register your own Proxy ID for your own accounts or set up eDDA for your own accounts. You must be the present genuine owner or authorised user of each Proxy ID and each account provided to us for registration in the Addressing Service and the eDDA Service. By instructing us to register any Proxy ID or any account for you in relation to the Faster Payment System, you confirm that you are the present genuine owner or authorised user of the relevant Proxy ID or account. This is particularly important for mobile phone numbers as they may be recycled in Hong Kong.
- 5.2. Proxy ID. Any Proxy ID to be registered by you for the Addressing Service must satisfy any applicable requirements imposed by HKICL from time to time. For example, HKICL may require the mobile phone number or email address to be registered as a Proxy ID to be the same number or address registered by you as contact information on our records at the relevant time. You understand and agree that we, other Participants and HKICL have the right and discretion without giving notice to deregister any Proxy ID that is not correct or up-to-date in accordance with available information without your consent.
- 5.3. Correct information.
- (a) You have to ensure that all the information provided by you for registration or amendment of a Proxy ID (or any related records) or for any eDDA setup is correct, complete, up-to-date and not misleading. You have to notify us as soon as reasonably practicable of any changes or updates to such information by such means or in such manner specified by us from time to time.
 - (b) You are fully responsible for using the correct and up-to-date Proxy ID and related records in giving each payment or funds transfer instruction. You are solely liable for and will hold us harmless from any incorrect payment or transfer effected by us and HKICL FPS due to incorrect or outdated Proxy ID or related records.
- 5.4. Timely updates. You are fully responsible for giving instructions and information changes or updates to us on a timely basis for amending your Proxy ID (or related records) or any eDDA setup, including changing your Default Account, or terminating any Proxy ID or eDDA. You acknowledge that keeping your Proxy ID, eDDA and all related records up-to-date is critical for ensuring effective execution of payment and funds transfer instructions and for avoiding incorrect payment or transfer due to incorrect or outdated Proxy ID, eDDA or related records.
- 5.5. Change of Default Account. If an account is terminated as the Default Account by you or by the relevant Participant for any reason (including suspension or termination of the account), the system of HKICL will automatically assign the most recently registered record in the Addressing Service that is associated with the same Proxy ID to be the Default Account. If you wish to set another account as the Default Account, you have to change the registration through the Participant where you maintain that other account.
- 5.6. Transactions binding on you.
- (a) For any payment or funds transfer, once you confirm the details of a transaction and submit the instruction to us, such instruction and any resulting transaction is final, irrevocable and binding on you.

- (b) For any Proxy ID registration or eDDA setup, once you submit an instruction to us, such instruction is irrevocable and binding on you. You may amend or cancel any Proxy ID or eDDA setup in accordance with the procedures and requirements prescribed by us from time to time.

5.7. Use FPS Services responsibly. You must use the FPS Services in a responsible manner. In particular, you have to comply with the following obligations:

- (a) You must comply with all Regulatory Requirements that govern your use of the FPS Services, including collecting, using and handling the personal data and other information relating to any other person in compliance with the Regulatory Requirements protecting data privacy. You must not use the FPS Services for any unlawful purposes or any purposes other than those authorised or contemplated in the rules, guidelines and procedures of HKICL.
- (b) In sending remarks or messages to be displayed to recipients or counterparties of your payment or funds transfer instructions or eDDA setup using HKICL FPS, you should mask the name or other data of such recipients or counterparties to prevent unauthorised display or disclosure of any personal data or confidential data.
- (c) If we offer the FPS Identifier as Proxy ID to you, you should not repeatedly cancel the registration and request for generation of another FPS Identifier in an attempt to generate a number or value that you desire.

5.8. Other obligations regarding payments and funds transfers.

- (a) In giving instructions to make payments or effect transactions, you agree to take reasonably practicable steps to safeguard your own interest, money and assets from fraud or other illegal activities. You are responsible for checking and ensuring whether the payment recipient, the transaction and the transaction details are real and trustworthy in each case and to exercise sound judgement. To help you stay vigilant against frauds, scams and deceptions, we will send risk alerts based on the risk warnings, messages, indicators and other information received by us from the Faster Payment System or Hong Kong Police Force from time to time.
- (b) Any instruction given by you in relation to the FPS Services will be handled by us in accordance with this Service Schedule and the other applicable provisions of the General Banking Terms and Conditions. You have to comply with the other obligations with respect to payments, funds transfers and direct debit authorisations, including maintaining sufficient funds in the relevant accounts for settling payment and funds transfer instructions from time to time.

5.9. You are responsible for your authorised persons. Where you authorise any other person to give instructions or requests to us in connection with the use of the FPS Services (whether you are an individual, a company, a corporation, or a sole proprietorship or partnership firm or any other unincorporated body):

- (a) you are responsible for all the acts and omissions of each person authorised by you;
- (b) any instruction or request received by us, believed by us in good faith to be given by you or any person authorised by you, will be irrevocable and binding on you; and
- (c) you are also responsible for ensuring that each person authorised by you will comply with the provisions of this Service Schedule that are applicable to him/her/them when acting on your behalf.

6. Our responsibility and restriction of liability

6.1. We will process and submit your instructions and requests to HKICL FPS in accordance with the applicable rules, guidelines and procedures imposed by HKICL from time to time. HKICL FPS has the right to process and execute your instructions and requests in such sequence or manner as HKICL considers appropriate. We have no control over the operation of HKICL FPS nor the timing on which your instructions or requests are executed by HKICL FPS. Where we receive status update notifications involving any of your Proxy ID (or related records) or eDDA setup or

any other matter relating to HKICL FPS from or through HKICL FPS from time to time, we will notify you accordingly by such means and at such time as we consider appropriate.

6.2. Without limiting or reducing the effect of Clause 6.1 above or the provisions of the General Banking Terms and Conditions:

- (a) we are not liable for loss, damage or expense of any kind which you or any other person may incur or suffer arising from or in connection with the use of the FPS Services or the processing or execution of instructions or requests given by you in relation to the FPS Services or HKICL FPS, except to the extent that any loss, damage or expense incurred or suffered is direct and reasonably foreseeable arising directly and solely from our negligence or wilful default or that of our officers, employees or agents;
- (b) for clarity, we are not liable for loss, damage or expense of any kind which you or any other person may incur or suffer arising from or in connection with one or more of the following:
 - (i) your failure to comply with your obligations relating to the FPS Services; and
 - (ii) any delay, unavailability, disruption, failure, error of or caused by HKICL FPS or any functionality of the Faster Payment System, or arising from any circumstances beyond our reasonable control, including any delay or error relating to the risk warnings, messages, indicators and other information about suspected frauds, scams or deceptions received by us from the Faster Payment System or the Hong Kong Police Force; and
- (c) in no event will we, our Affiliates, any other DBS Group Members or group companies, our licensors, and our and their respective officers, employees and agents be liable to you or any other person for any loss of profit or any special, indirect, incidental, consequential or punitive loss or damages (whether or not they were foreseeable or likely to occur).

6.3. Your confirmation and indemnity.

- (a) Without reducing the effect of any indemnity given by you under the General Banking Terms and Conditions or any other rights or remedies that we may have, you will indemnify us and our officers, employees and agents and hold each of them harmless against all liabilities, claims, demands, losses, damages, costs, charges and expenses of any kind (including legal fees on a full indemnity basis and other expenses reasonably incurred) which may be incurred or suffered by us or any of them and all actions or proceedings which may be brought by or against us or any of them as a result of or in connection with our provision of the FPS Services or your use of the FPS Services.
- (b) The above indemnity does not apply to the extent that it is proved that any liabilities, claims, demands, losses, damages, costs, charges, expenses, actions or proceedings are direct and reasonably foreseeable arising directly and solely from our negligence or wilful default or that of our officers, employees or agents.
- (c) The above indemnity shall continue to have effect after the termination of the FPS Services.

1.5. Card Transactions. We may determine the transaction date in respect of every transaction involving the use of ATM cards and may reject any transaction and/or any cheque presented via the ATM. Transactions effected in currencies other than the currency of the Account will be debited into the Account after conversion into the currency of the Account at our prevailing exchange rate.

1.6. Records. The records of us and/or any other Participating Bank in relation to any transaction made by the use of the ATM card on any ATM and/or point of sale terminal shall, in the absence of manifest error, be conclusively binding on you for all purposes.
