* The website has not been reviewed by the SFC.

Implementation of Severe Weather Trading Arrangements

We would also like to take this opportunity to inform you of the dealing arrangements for the Company on days (other than a Saturday or Sunday or a Hong Kong public holiday) when there are severe weather conditions in Hong Kong (“**Severe Weather Days**”).

Hong Kong Exchanges and Clearing Limited has announced that, with effect from 23 September 2024 (the “**Effective Date**”), it has implemented arrangements for maintaining normal operations of the Hong Kong securities and derivatives markets during severe weather conditions (“**Severe Weather Trading**”). Severe weather conditions refer to the scenario where a typhoon signal No. 8 or above or a black rainstorm warning is issued by the Hong Kong Observatory, or an “extreme conditions” announcement is made by the Government of the Hong Kong Special Administrative Region of the People’s Republic of China.

Pursuant to the Prospectus, subscription, redemption or other dealing requests received by the Hong Kong Representative no later than the Dealing Deadline shall be dealt with on such Dealing Day (i.e. a Business Day on which the banks in Hong Kong are open for normal banking business unless otherwise determined by the Directors). If a number 8 typhoon signal or higher or a black rainstorm or other similar event shall cause the closure of the Hong Kong Representative’s office, any dealing request received or sent to the Hong Kong Representative after closure of the Hong Kong Representative’s office shall be carried forward and dealt with on the next Dealing Day at the Net Asset Value Per Share applicable to that Dealing Day.

In light of the implementation of Severe Weather Trading, from the Effective Date, any dealing request received or sent to the Hong Kong Representative by the Dealing Deadline on a Dealing Day (including a Severe Weather Day) shall be dealt with on such Dealing Day. Accordingly, with effect from the Effective Date, the last paragraph under the sub-section headed “**Redemption Of Shares In The Company**” in the section headed “**SUBSCRIPTIONS AND REDEMPTIONS**” shall be amended as follows (with revisions in mark-up):

“In respect of subscription and redemption or other dealing requests received by the Hong Kong Representative, a Dealing Day shall be a Business Day on which the banks in Hong Kong are generally open for normal banking business unless otherwise determined by the Directors. ~~If a number 8 typhoon signal or higher or a black rain storm or other similar event shall cause the closure of the Hong Kong Representative’s office, any dealing request received or sent to the Hong Kong Representative after closure of the Hong Kong Representative’s office shall be carried forward and dealt with on the next Dealing Day at the Net Asset Value Per Share applicable to that Dealing Day.~~”

As a result, the number of dealing days during which Shares may be subscribed for, redeemed and/or switched over a calendar year may increase. For the avoidance of doubt, there will be no change to the operation and/or manner in which the Company is being managed as a result of the implementation of the Severe Weather Trading. As the procedures for subscription, redemption and switching of Shares through intermediaries and/or distributors on Severe Weather Days may vary, Shareholders are recommended to consult the relevant intermediaries and/or distributors before placing orders to deal in Shares.
